

American Lincoln Parts

American Lincoln Parts - Presently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the industry they are known within the business as providing strong and durable machinery that meets all the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind model of floor scrubber together with the Clarke Company which is presently likewise owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These kinds of scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln could provide machines, parts and warranty service for these scrubbers which carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like for instance Target and Wal-Mart. The 7765 line has earned the respect of several facility supervisors where efficiency and results make a difference. Lately, this floor scrubber model has been used by the architects in various construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on site because of the model's high standard of quality and utmost performance level for polishing concrete.
