

Fork Mounted Sweeper

Fork Mounted Sweeper - This particular attachment makes industrial sweeping work a lot easier to do. The versatile forklift mounted broom is intended for use with either dry or wet material clean ups. It can push snow and squeegee water without problems. This particular accessory is frequently utilized to be able to clean debris from parking lots, warehouses, construction sites, docks and almost wherever it is considered necessary. The forklift sweeper is a low maintenance accessory that uses quick-tie tie products to easily mount to the lift truck.
